

# Paul Roberts

SME

 [Get In Touch](#)

---

Paul Roberts is a Project Geologist with SME's environmental team. He graduated from Albion College with a BA in Geological Sciences in 2007. His specialties include environmental-construction integration, strategic planning for brownfield redevelopment, and Part 201/Part 213 assessments and closures. Paul joined the MAEP board of directors in 2015 and is currently working as the lead on the MAEP website redesign; he also assists the professional development meeting (PDM) committee.
