

Ryan Dunning

CEC (Past MAEP President)

 [Get In Touch](#)

Ryan Dunning is Vice President and Principal Geologist with Civil & Environmental Consultants, Inc. in Novi, Michigan. He has 21 years of environmental consulting experience, primarily specializing in due diligence, Part 201 and 213 site investigations and Brownfield Redevelopment. He holds a BS degree in Geology from Eastern Michigan University. Mr. Dunning has been an active member of MAEP since 1995, serving four terms on the Board of Directors from 2001 to 2007 and 2009 to 2014. He served as treasurer from 2003 to 2007, chaired the Environmental Excellence Awards Committee, and served on the Electronic Media and Outstanding Environmental Professional of the Year Award Committees. He currently participates in the Golf Outing Committee.
