

BOARD POSITIONS AVAILABLE FOR 2020-2022 TERM MICHIGAN ASSOCIATION OF ENVIRONMENTAL PROFESSIONALS

As required by MAEP By-Laws, this announcement serves as notice for MAEP members in good standing to submit their curriculum vitas to the Board of Directors if they are interested in serving on the board. There are three open positions for the upcoming election.

A term on the board is for a period of three years. Please consider this commitment carefully. Having twelve active board members makes MAEP strong as an organization and gives the board a broader base of knowledge/experience from which to address programs, issues, etc.

Before volunteering, consider some of the responsibilities of an MAEP Board Member:

- Attend all board meetings (approximately six per year)
- Attend professional development/annual meetings
- Plan a professional development meeting (speaker/topic)
- Contribute one technical article (per year) to the newsletter (either written yourself or by a peer/associate)
- Communicate regularly via email (approval of financial reports/new member reports, opinions, ideas, etc.)
- Serve on committees or other responsibilities as needed

If you are interested, please fill out the nomination form below and email it along with your vitae to admin@maep.org or fax to (734) 498-8415. Nominations must be received by October 31, 2019.

An electronic ballot with the names of those running for the board (including prospective board members and current board members who are running for a second term) will be emailed to all MAEP members in November.
